

Harlem Renaissance 100 - Calendar of Events

Fusion:
Remixing Jazz,
Rethinking
Genre in the
21st Century

Columbia University
in the City of New
York

October 14, 2022

The relationship between a discourse of jazz as a paradigmatic expression of Black American culture as well as a space of musical creativity accessible to musicians across the globe regardless of their background has fueled debates regarding musical legitimacy and authenticity in and out of jazz, revealing the tensions “crossing borders” incurs for musicians, critics, and audiences.
